Permanent Address:
W5554 Mutzy Way
Appleton, WI 54915
(920) 993-5509

EDUCATION

University of Wisconsin-Platteville, Platteville, Wisconsin
Bachelor of Science, Computer Science, expected 2016.
GPA: 3.0
Course Highlights: Learned and wrote code with languages including C++, Java, SQL, C#, Assembly, as well as others. Completed projects using Spiral, Waterfall, and XP software development models. Wrote full programs both collaboratively and independently. Developed many programs from start to finish.
Senior Seminar: Gave a 40 minute presentation in April 2016 on digital steganography, the scientific method, similar to cryptography, of concealing one message within another. The presentation included information on what it is, how it's used, and how to implement it, as well as the methods of detecting it. The presentation will also have an associated research paper that will be published at the end of the semester.

EMPLOYMENT

Stevi B's Pizza Buffet, Appleton, Wisconsin
Greeter, Cashier, 2011 – 2015
Worked as a greeter to manage the buffet and ensure the quality of the food being served. Handled customer's pizza requests and other customer service issues. Worked as a cashier to handle customer orders as well as promote current sales and specials.

COMMUNITY ACTIVITIES

Hope Chapel VBS, Fort Bliss, Texas
Volunteer Crafts Teacher, 2009 – 2011
Taught children different art crafts as part of Hope Chapel's vacation bible school. Created and taught children to create several craft projects for one work week during the summer.

SKILLS & HOBBIES

Enjoy writing programs as personal projects during my free time.
Know languages such as C, C++, Java, Visual Basic, the .NET Framework, Lua, HTML, CSS, PHP, JavaScript, and SQL, as well as others.
Familiar with different development environments such as Visual Studio, Eclipse, NetBeans, and CLI, as well as development on platforms such as Windows, Linux, and some game engines such as Unity.
Research new information about computers and computing out of personal interest.
Assist friends and family with computer related tasks or issues.
